(b) Yes, Sir. The cash loss is expected to be reduced from Rs. 83.86 crores in 1991-92 to about Rs. 58 crores in 1992-93.

(c) There has been a decline in the daily earning of DTC on its city services in September and October, 1992. The daily average income of DTC on city services during Sept., 92 was Rs. 44.29 lakhs whereas in Oct., 92 it was Rs. 40.67 lakhs only.

(d) Government have been continuously monitoring the performance of DTC with a view to improve its functioning. Increase in fuel efficiency and tyre life, reduce the number of break-downs by better maintenance practice, and economy in expenditure have been some of the measures regularly being undertaken. Plugging leakage of revenue is another measure which DTC undertakes through effective checking. Speedy disposal of scrap, route rationalisation are other measures being taken to augment the DTC revenues.
